What stops more women from moving into high-stakes, revenue-driving roles?

"Sometimes it's the 'Glass Ceiling' or the 'stigma of emotions."

What stops more women from moving into high-stakes, revenue-driving roles?

It’s about valuing the 'How' as much as the 'What', it isn't sustainable to get stuff done but break the people in the process."

What stops more women from moving into high-stakes, revenue-driving roles?

"Ask us!
Family responsibilities shouldn't be seen as an opportunity cost to career progress."
